**Abstract:** The Nova Scotia Green Sleeve is a central place to keep important documents to help share your health care plans, goals, and care wishes with health care providers. Anyone with a life-limiting illness should have a Green Sleeve. This pamphlet outlines what should be kept in your Green Sleeve and what you should do with it. Resources for further information are also listed. The French version of this pamphlet 1863, "La Pochette verte de la Nouvelle-Écosse : Information pour les patients, familles et mandataires", is also available.
