Immunity  
Immunologic Deficiency Syndromes

Subjects (LCSH): Immunology

Specialty: Allergy and Immunology

Abstract: Meticulously reviewed and updated for today's medical students, *Basic Immunology, 6th Edition*, is a concise text expertly written by the same distinguished author team as the best-selling, comprehensive text, *Cellular and Molecular Immunology*.

This focused, easy-to-understand volume uses full-color illustrations and clinical images, useful tables, and practical features such as Summary Point boxes, end-of-chapter review questions, glossary terms, and clinical cases—all designed to help students master this complex topic in the most efficient, effective manner possible.
