Language: French

Physical Description: 1 electronic document (9 p.) : digital, PDF file

Subjects (MeSH): Patient Safety
Accident Prevention

Subjects (LCSH): Hospitals--Safety measures
Accidents--Prevention
Patients--Safety measures

Abstract: Le présent livret explique le rôle que jouent les patients et leurs familles au niveau de la sécurité au sein de la RSNE. Des lignes directrices sont fournies sur les sujets suivants : prévention des infections, nourriture apportée de la maison, prévention des chutes, objets personnels, sécurité incendie, inspection du matériel et sécurité générale.

This pamphlet is a French translation of "Patient and Family Safety Information" pamphlet 1507. This pamphlet explains the role that patients and their families play in terms of safety within NSHA. Guidelines are provided on the following topics: infection control, bringing food from home, fall prevention, personal furniture, fire safety, equipment inspection and general safety.

Responsibility: Prepared by: P. Simms, Nurse Educator ; adapted with permission from Camp Hill Veterans Memorial, QEII site

Pamphlet Number: 1794
