Alternate Title: Care of your peritoneal dialysis catheter

Place of Publication: Halifax, NS

Publisher: Nova Scotia Health Authority

Date of Publication: 2020

Format: Pamphlet

Language: French

Physical Description: 1 electronic document (4 p.) : digital, PDF file

Subjects (MeSH): Peritoneal Dialysis
Kidney Diseases - surgery

Subjects (LCSH): Peritoneal access
Peritoneal dialysis

Specialty: Nephrology
Hematology

Abstract: La brochure porte sur la façon de protéger votre cathéter de dialyse péritonéale. On y traite des soins de l'incision (coupure) ou du point d'émergence cutané (point de sortie) après l'opération et du maintien de la régularité intestinale. On vous indique aussi quand appeler l'infirmière de l'Ordre de Victoria du Canada (VON) ou des soins à domicile.

This pamphlet is a French translation of "Care of Your Peritoneal Dialysis Catheter" pamphlet 0352. This pamphlet reviews how to protect your peritoneal dialysis catheter. Information includes how to care for your incision (cut) or exit site after surgery and keeping your bowels regular. Information about when to call your VON or home care nurse is also given.
